

ANNUAL REPORT 2024-25

OUR TRUST

S. A. Educational Trust was established on April 11, 2007, and took over S. A. Public School in the same year. The school began its journey with just 57 students, striving to provide quality education to underprivileged children. In 2010, the trust expanded its mission by establishing Shivajirao Walunj English Medium School in Avhat, Khed, Pune district.

Like many institutions, both schools faced significant challenges during the COVID-19 lockdown. However, with relentless dedication, they ensured that learning never stopped by staying connected with parents and students through various means. Despite hardships, the trust remained committed to its vision of providing education to all, proving that perseverance and determination can overcome any obstacle.

TRUSTEE's DESK

Mr. Shivajirao Walunj
(Managing Trustee)

Education is not just about reading books or passing exams—it is the foundation of a better life and a stronger society. True education shapes individuals, teaching them values, skills, and the ability to think independently. It is the light that removes ignorance, the tool that empowers people to improve their lives, and the bridge that connects dreams to reality. Without education, opportunities remain limited, and progress becomes difficult. Every child, regardless of their background, deserves the chance to learn and grow. As a society, it is our responsibility to ensure that education reaches every child, because an educated generation builds a successful and developed nation.

- **Managing Trustee**

ADMINISTRATOR's DESK

Mrs. Ashwini S. Walunj
(Administrator)

At S.A. Educational Trust, we believe that education is the key to a brighter future. Yet, many parents, due to financial struggles or lack of awareness, hesitate to send their children to school. It is important to understand that education is not an expense; it is the most valuable investment in a child's future.

A child without education faces lifelong hardships, but a child with knowledge gains confidence, opportunities, and the ability to uplift their family and society. Just like a plant needs water to grow into a strong tree, every child needs learning, guidance, and support to succeed in life.

By sending children to school, we are not only shaping their future but also building a stronger, educated, and self-reliant community. Let us work together to ensure that every child receives the education they deserve.

Empower your child with education today, and watch them build a better tomorrow!

HEAD MISTRESS's DESK

Mrs. Surekha Chaudhari
(Head Mistress)

“As the Principal of Shivajirao Walunj English Medium School. We focus on laying the foundation for a lifetime of learning. Every child is like a budding flower, and our role is to nurture them with knowledge, values, and creativity. Watching young minds explore, question, and grow fills me with immense pride. I believe that these early years shape the leaders of tomorrow, and we are committed to guiding them with care and excellence.

I have seen students grow not only in academics but also in discipline and leadership. Our goal has always been to provide a strong educational foundation while nurturing moral values and life skills. The dedication and enthusiasm of our students have been the driving forces behind our success.”
